Learning support for post day 1

The learning highlighted in **purple** reflects the mandatory learning that must be refreshed every three years; if you are up to date with this learning there is no need to re-complete.

Prior learning will be recognised and if you have come from a CRC your training record will be transferred; you won't need to re-complete learning that can be evidenced through your training record.

What learning will be available?	Who is it for?	How long will it take?
